Alexa/Siri: play Healthcare NOW Radio

Weekdays at 5:30am, 1:30pm and 9:30pm ET
Hosted by: Fred Goldstein and Gregg Masters

This syndicated show tracks, reports, informs and engages thought leaders, entrepreneurs and disruptive companies or health systems in the emerging field of Population Health Management.

About Gregg Masters

Fun Fact: Helped John Travolta who was learning how to ski get up after a fall on Mammoth Mountain.

Favorite Podcast: RadioLab

233 episodes

About Fred Goldstein

Fun Fact: Career plan from the 4th grade through college was to do Shark Research and be like Jacques Cousteau.

Favorite Podcast: The Battle of Gettysburg Podcast and Sean Carroll's Mindscape.

Weekdays at 5:30am, 9:30am and 5:30pm ET
Hosted by: Colin Hung and John Lynn

Our intrepid hosts share their experiences as they roam the country, attending conferences and forums, and talking with thought leaders in the know.

About Colin Hung

Fun Fact: Started out as a developer and first job was to code a database application for a bank client. Due to slow productivity he was soon transferred to a business analyst.

Favorite Podcast: HIT Like a Girl

40 episodes

About John Lynn

Fun Fact: Played competitive ultimate frisbee in college and still loves playing it as much as possible. When his first son was born, one of his first pictures was with a frisbee.
